This is probably how you found and made initial contact with the club. This guide can be found on the resources page, where there is a selection of useful links designed to help you during your time with Toastmasters. Of note are the *Grammarians Checklist*, *Guide To Meeting Roles* and *Pathways Map*. We also have a blog page with some amusing and informative articles. You are welcome to contribute to our blog, perhaps with your own Toastmasters experiences or a speech you were proud to have delivered at the club.

To get the most out of your Toastmaster journey, start booking speeches and roles! If you have any questions, reach out to your Vice-President of Education.

Good luck in your Toastmaster journey!
